Station Madras. *Dated the* 9-2- 192

From (Name) R.G.Grieve, Esq., I.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department

Sir,

The Principal, Government College, Mangalore reports that in view of the urgent need for a hostel for the Coorg and Malabar students of the College, a non-Brahmin hostel was in anticipation of sanction, opened on 1-8-20 as a temporary experimental measure in a private building. There are at present only 9 boarders in the hostel but the Principal hopes that next year their number will rise to about 50 including Brahmins for whom a separate section will have to be opened. The rent of the present hostel building is Rs.15 per mensem, and there are two servants whose salaries

amountto Rs.12 per mensem. The boarders will be able to maintain the hostel during college terms without any help from Government except as regards the Deputy Warden's duty allowance. A member of the college staff is the Deputy Warden and it is proposed to give him a duty allowance of Rs.15 per mensem for the present. This charge will have to be borne from provincial funds. So also the house rent and the servants' pay during the summer recess of the College. Further a sum of Rs.400 is required for furniture and utensils, future requirements being provided for in due course. To sum up the following charges have to be borne Provincial Funds.

	Rs
(i) Three months' house rent at Rs.15 per mensem	45
(ii) Pay of menials at Rs.12 per mensem for the same period	36
(iii) Furniture and utensils	400
(iv) Duty allowance of the Warden at Rs.15 from 1-8-20	

Of these item (Iv) alone is recurring.

I may add that as large and suitable houses are very difficult to secure in Mangalore, it is not desirable to give up the present house (which is very close to the College) during the vacation.

2. I have the honour to commend the proposal for the acceptance of Government and to request their sanction for incurring the charges specified above from the contingent allotment for the college. Also permission may be kindly granted to the member the college staff who is the Deputy Warden of the hostel for accepting the proposed remuneration of Rs.15 per mensem.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

Subject: Opening of a hostel attached to the Govt. College, Mangalore.

[C.N. 634 A] From the D.P.I. No. RC 7667/20, dt. 9.2.22.

The expenditure which will have to be incurred from provincial funds according to the D.P.I.'s proposal is as follows:-

Recurring

(1) Duty allowance to Deputy Warden at Rs 15/- p.m. Rs 180/- p annum

Non-recurring

(1) Furniture and utensils Rs. 1200.

(2) House-rent for 3 months during the summer recess of 1921 Rs. 45

(3) Pay of menials for the same period Rs. 36.

Rs. 1281

2 The hostel has been opened from 1.8.21. in anticipation of sanction as a temporary measure. It is reported that the number of boarders will increase in the next year and that another seat for Brahmans will have to be opened.

In a recent communication the Govt of

of India have referred to the desirability of filling posts of hostel Supdts. by ~~suitable~~ persons, who will ~~be~~ able to exercise ~~have~~ influence over the students. To get such suitable men, sufficient remuneration should, it is subd, be paid to them. The proposed remuneration of Rs 15/- in the present case may be accepted.

3. The proposed expenditure from provincial funds in regard to the house-rent and servants' pay during the summer vacation will apparently have to be incurred only in 1921, as when the number of the boarders increases they will be able to meet these items of expenditure in future years. The Director has not, however, stated whether this expenditure will have to be incurred only in 1921 ~~or~~ even in subsequent years. On the assumption that it will be incurred only during the vacation of 1921, it may be sanctioned.

4. As in the case of the Tellicherry hostel the D.P.I. may be requested to consider the desirability of increasing the rent charges to be collected from the students

Students of the Mangalore hostel so as to cover a reasonable rate of rent for furniture.

draft order is subt ✝ approved as present acceptance.

The hostel was opened on 1.8.21 & was run, in the 9th Pol. & W. W.D. came up for enquiry - was then any benefits ablin! There is a budget provision in 1921-22.

Are there any precedents for fixing the warden of a male hostel, this cost a monthly remuneration. I presume free quarters are allowed to the warden?

Para 2 of Asst. Secy's note on page 3 ante

The Deputy wardens in the hostel attached to the Presidency College and the Engineering College have remuneration of Rs 50/p.m. and Rs 30/p respectively — vide Govt Lr No 455 Home Edn dt 13-4-20 and 678 Home Edn dated 27-5-19 But there are big hostels. It is not known whether any remuneration has been given to Deputy wardens in small hostels such as those attached to the Victoria College, Palghat and the Brennen College, Tellicherry. Presumably they are not given any remuneration but are allowed to occupy rent-free quarters. The P. W. D Code — Para 325 VI (a) on page 81 of the Code — ~~allows~~ provides for the grant of free quarters for the Principal and the professor when they are supervising hostels. Presumably in the proposed hostel at Mangalore no free quarters will be given for the Deputy warden but only an allowance of Rs 15 p.m. Before we agree to the grant of the allowance, the Law (Education) department may be requested to furnish information on the point at A above, by a reference to the D.P.I. if

ostel was opened for the Bremen College, Tellicherry only last year and no remuneration was proposed by the D.P.S for the Deputy warden or Warden, ~~[illegible]~~ nor have quarters been provided for the warden. In the case of the Victoria College, Palghat, quarters have been provided for the warden of the hostel, who apparently occupies them ~~[illegible]~~ rent free — Vide Go 452 Edl., dy 17-5-13.

The fact that no remuneration has been given to a Deputy warden in the case of the Bremen College, Tellicherry need no ~~[illegible]~~ deter Govt from sanctioning proposed grant of a remuneration for the Deputy warden of the Mangalore hostel, looking after the hostel will involve some additional work and the officer entrusted with it will have to be paid for

The remuneration proposed, viz. Rs 45 permensem, is small. It is quite likely that the D.F.O. will come up shortly with his proposal for the grant of a remuneration to the Deputy Warden at Pellicherry. The Finance Dept. may it is subd., be requested to accept the proposal in the present case.

The hostel attached to the Victoria Colleg Palghat, is not a small one. It contains dents and is managed by a warden who is the Principal of the College and who has free quarters and

and by a deputy warden who is paid Rs.25 per mensem from the amounts collected from the inmates of the hostel.

The hostel attached to the Brennen College, Tellicherry, is a small one with 18 students. It has no deputy warden.

Free quarters will not be given to the deputy warden at Mangalore in addition to the allowance of Rs.15 per mensem

Please see the Finance Secy's note above. The D.P.I. has in para 1 of his letter stated that there are at present only 9 boarders and that they will not be in a position to bear the cost of the Dy Warden's allowance. In the case of the hostel attached to the Victoria College Belghat which the Finance

L (Ch. 634 M) From the D.P.I. R.C. No 7667/20)

In his letter read above regarding opening of a hostel attached to the Govt. College, Mangalam, the D.P.I. proposed grant of a remuneration of Rs 15/- p.m. the Dy Warden of the hostel. He was requested to state whether any remuneration has been given to the Dy Warden in charge of small hostels, such as those attached to the Victoria College, Palghat and the Brennen College, Tellicherry. In his No. Reply No 251 D. the 25.5.21, he stated that the hostel attached to the Brennen College which has 18 boarders has no deputy warden. The D.P.I. may now be requested to state why it is necessary to have a Dy Warden for the hostel at Mangalam which has only 9 boarders when the hostel at Tellicherry with 18 or boarders has no Dy Warden in charge. He may also be asked whether it is necessary to remunerate the Dy Warden, considering the number of boarders under his charge as well as and why the charge on account of the remuneration to the Dy Warden at Mangalam should not be

U.O.Reply No. 532 & 2 6.5.47

The Principal of the Government College, Mangalor was maintaining a hostel in a small building which he secured last year for 10 boys. It became so popular that he had to put in it 25 boys this year. Owing to over-crowding the boys do not enjoy good health. No help has been forthcoming from the Department. He has closed the hostel from the 31st of last month and I have received memorials from the inmates asking for the provision of a suitable building and other facilities. The Government were addressed on the 2nd of February and no reply has been received from Government up to the present day. It is impossible to continue the hostel without Government aid.

2. As will be seen from the above the size of a hostel which is held in a rented building is variable. If the hostel becomes popular the size soon outgrows the original accommodation. In February last we were considering the appointment of a Deputy Warden for 9 boarders. Last month there were 25 boarders. I consider it necessary to have a Warden or a Deputy Warden for every hostel under Government control except probably such as are intended for grown-up students alone for example. For students of Training Schools and even in this case Deputy Wardens are desirable, although not so necessary as they are in the case of hostels intended mainly for school boys and for young college students. In Tellicherry some of the students of the Secondary Training School belong to the hostel which is in general charge of a Superintendent who is a member of the staff of the college department. He receives no remuneration.

I consider it necessary to remunerate a Deputy Warden.

I consider it that the students ought to pay for whatever remuneration is paid to the Warden or Deputy Warden. The latter should not be a servant of the pupils in residence.

With reference to portion K of the D.P.I's note above, it is submitted that if the remuneration to the Deputy warden is recovered from the ~~boarders~~ students, it does not follow that he should be a servant of the pupils in residence. Orders are requested whether this Dept may maintain that the charge should be met by the students or (whether) the view need not be pressed
